Alice, the arachnid,

The assassin endowed with superior senses,

and the serial killer commanding superior reaction,

Sasori, the scorpion.

How-ever,

it's the same regardless of who wins.

This'll be a sight to see!

A destined showdown for the same kind of "bugs."

Because finally, this school...

Everything's in the palm of my hands.

IS COMPLETELY UNDER THE CONTROL...

OF MY ARMY ANTS.

Chapter 55: We Will Become One!

One Month Ago

Yeah, yeah!

Kurokawa Sara.

Ahh... You mean Kurokawa -san?

Well, about that kid...

That transfer student.

What was her name again...

Is she all alone by herself?

Isn't this the cafe-teria!?

Ehh... How pitiful...

It's lunchtime already

and she's disappeared somewhere!

she doesn't talk at all, does she?

But that kid,

Hence she changed schools?

She must've been left out in her previous school, right?

GA HA HA

Hilarious~

Doesn't she seem like the type of person who doesn't want any friends?

Yeah... They exist, don't they? Those kinds of people.

Even though she's been here for a week now, she's always alone.

for me to start a conversation.

I'm sure there isn't any chance for me to jump in anyway.

But, since every one of those groups seem so close,

It's always been like this since last year but...

I've had it with this *forever-alone* lifestyle!

Sighh...

I don't care what it is...

I just want a chance.

I changed schools because of my father's job transfer,

and now I have a chance to start over from square one.

This time, especiall-

Her sex appeal is mass ve . Maybe she's a senior?

Pleased to meet you, Kurokawa-san!

I'm... Kuramoto.

The fact that I'm a komyushou will be exposed!! What should I dooo!!? What should I dooo!!?

But, I don't know her at all!!!

I'm probably over-stepping my boundaries but.

Say, Kurokawa-san.

Won't you

I probably wouldn't fit in with a beauty like Kurokawa-san but...

so I don't have any friends in class yet...

Actually, I too just enrolled after reaching second year,

if we could spend lunch together... or chat in our free time

I think it would be wonderful...

IT'S

It's happen-nneedd !!!

I'm so thrilled!

Since I'm not particularly good at anything.

Leaving school together is giving off a huge intimate vibe!!

So Kurokawa-san's part of the going home club too, huh?

But if I'm with Kurokawa-san,

I'm really scared talking in front of lots of people though.

Yep.

Don't you need to show up in an election?

Kuramoto-san,

Why?

I'm being relied on...

It's nothing, it's nothing!

Thanks, Kurokawa-san!

I'm sorry if this is abrupt but,

There's something I'd like to show you,

I wonder what she wants to show me?

Oh yeah, thanks for having me!!
